

Boulderstone Hornibrook

2009 QUT Construction and Civil Engineering Scholarship

2009 QUT Quantity Surveying Scholarship

Conditions of Scholarship & Application

Boulderstone Hornibrook is proud to offer the following scholarships to QUT students:

- *2009 QUT Construction and Civil Engineering Scholarship.* This scholarship is open to students currently in their second or third year of their Bachelor Degree in Construction Management, Civil Engineering or Civil and Construction Engineering.
- *2009 QUT Quantity Surveying Scholarship.* This scholarship is open to students currently in their second or third year of their Bachelor Degree in Quantity Surveying.

Conditions of Scholarship and Selection Criteria

Academic achievement is one of the selection criteria however more importantly, we are seeking to award these scholarships to well rounded people who are active in extra curricular activities, have good team and communication skills and who wish to make their career in the construction engineering field. Therefore in your application, it is important that you detail your participation and achievements both academic and non academic.

Each scholarship is valued at \$8,000 for 1 year, and will provide in 2009:

- Living/Textbook Allowance
- An offer of permanent part time employment as a Cadet.
Part time employment involves approximately 20 hours work per week during semester and full time during Vacations. We do offer flexibility with these hours and study leave for exams.

PLEASE NOTE

- Applicants are required to submit a typed application, which addresses all the information outlined on the following pages.
- Applicants may choose to include additional relevant supporting evidence (such as written references) with the application.
- Applications which do not answer all questions in the correct format may not be considered.

For more information on how to apply, contact:

- The Scholarships and Prizes Officer (07) 3138 1531.

Applications should be forwarded to:
