

FACULTY OF BUILT ENVIRONMENT AND ENGINEERING

BEE Research Write Up Scholarship

Aim

The aim of this scholarship is to support:

Preparation and submission of refereed publications by domestic and International Postgraduate Research Students after the submission of their thesis for external examination. This scholarship will be tax exempt for students. This scholarship will be awarded based on the nomination of the principal supervisor with 50% funding provided by the supervisor or theme and the remaining 50% funding will be provided by the University. Funding will support up to a three month period of full-time writing.

Eligibility

This award is available to Australian Citizens and permanent residents and International students.

Refereed Publication Write-Up Scholarship

Applicant must:

- Have recently submitted for external examination, or completed a Masters by Engineering/ Masters of Applied Science (Research)/ Doctor of Philosophy; and
- Provide a project plan outlining the title of the article, publication to be targeted and a timeline featuring milestones to be met in preparing the article.
- The Chair of the BEE Faculty prefers that the applicant will write a journal paper which will be published in scholarly journals (i.e. Thompson ISI)
- Be able to write full-time, or demonstrate that they can only write part-time due to heavy care commitments or a medical condition precluding full-time writing. International student visa conditions do not normally allow for part-time candidature.

Conditions

Progress Report

The Faculty shall require award holders to complete a progress report six weeks after the date of commencement of the award. Failure to present the progress report will normally result in the termination of the scholarship. The award holder must maintain regular communication with a nominated supervisor during the tenure of the award, and document this communication.

Workstation

The supervisor/theme/RP should ensure that the applicant has adequate access to resources to facilitate their write-up. This includes office space or ensuring that the applicant can be given access to space at one of the Library's Researchers Centres.

Supervision

Applicant and principal supervisor must be committed to meeting once per week during the term of the award.

Scholarships

This award cannot normally be paid concurrently with any other scholarship.

Employment

Recipient of this full time award cannot take full-time or substantial part-time employment during the tenure of the award. Normally, an award holder cannot undertake no more than 15 hours a week of employment and not more than eight hours during 9 a.m. to 5 p.m. Monday to Friday.

Leave

Due to the limited term of the scholarship, there is no allowance for leave. However, emergency or exceptional circumstances may be considered by the Research Degrees Committee. Application should be made on the forms that are used for other scholarship holders.

Other requirements

An award holder shall comply with all relevant course requirements, regulations and rules (including disciplinary provisions) of QUT.
