

## Faculty of Built Environment and Engineering Fact Sheet 2006

### **Buddy Mentoring Scheme**

### **New International Students**

Being new to the faculty you might like to meet someone who has been here more than one semester and so knows a little more about how things operate on the campus.

The Buddy Mentoring Scheme is designed to help you adjust to life in Brisbane, the faculty and the university. A current student will be your buddy and friend giving you the benefit of their university experience.

If you would like to have a buddy please complete the form below.

Please complete and return this form to the Faculty of Built Environment & Engineering – Student Services, D Block Level 3, Gardens Point Campus. We will arrange a buddy for you and will initially contact you via your QUT student email.

#### **I would like a Buddy for 2006 please**
